Hello Everyone!

Hopefully spring is coming soon so we can all get some quality ride time in! While we wait, here are some updates...

2010 STATE NBHA CHAMPIONSHIP UPDATE

This year's championships are shaping up to be great fun! There will be \$3,000 added w/ 90% of the entry fees paid back.

There are several national sponsors on board to help make the finals even more fun this year. **Cowgirl Tuff Co.** has donated \$750 in clothing vouchers to be given away on Saturday in a **Lucky Drag** event. If you are wearing **Cowgirl Tuff** clothing and are in the 'Lucky Drag' you could win either a pair of jeans or a shirt compliments of **Cowgirl Tuff Co.** We have also received either product or sponsorship dollars from HeatlyCoat, Platinum Performance & Professional's Choice.

Saturday's festivities will be topped off with a banquet at the Crossroads Inn & Convention Center. 1st Go checks will be presented while you enjoy a Taco Bar meal and a Fashion Show (compliments of Double D Western). There will be adult beverages available at a cash bar. Bring your shopping \$\$ as once again we will have a live auction with all proceeds going towards next year's finals event. **Please bring an item for the auction!** Many items have already been donated from clothes to tack. Capping off the evening will be live entertainment by Rheme & Wyatt. So please stick around.

The event will conclude on Sunday with presentation of 2nd Go checks and the average awards following the Open run.

Everyone that attended had a good time. As always, this little get together appears to be the 'kick off' to spring. The silent auction generated \$176 towards the district. Thanks to everyone who donated items or participated in the auction.
